

ELIGIBILITY OF LES AGENCES DE PAPA SHARES FOR PEA-PME

Les Agences de Papa (ISIN: FR0014003I41- Mnemonic: MLPAP), an independent digital real estate network, confirms that it meets the eligibility criteria for the PEA-PME specified by the application decree of 4 March 2014 relating to the financing of medium-sized companies (decree n°2014-283).

As a result, **Les Agences de Papa** shares can be integrated into PEA-PME accounts and benefit from the same tax advantages as the share savings plan (PEA).

Companies are eligible if they have fewer than 5,000 employees, and if their annual turnover is less than €1.5 billion or their total assets are less than €2 billion. These criteria are assessed on the basis of the accounts of the company issuing the securities concerned and, where applicable, those of the companies with which it forms a group.
